Donors

We are immensely grateful to all our donors, both individual and corporate, who came on board and gave us the much-needed support. We thank our corporate donors who have continued with their annual significant donation pledges and matching donations. These are American Express, Hewlett Packard, Nvidia, Google, Intel, Bright Funds Network, and Fidelity Charitable. We are also thankful to the enabling platforms – Benevity Causes, Give India, Charities Aid Foundation (CAF) of America, American Online Giving and Global Giving that enabled us to raise over \$100,000 on their platforms this fiscal.

This fiscal for the very first time, Mr. Beast, with the maximum # of followers on YouTube, posted a video on his YouTube channel that highlighted the impact Udayancare programs are making for thousands of under privileged children in India. Consequentially several of his followers made donations to different Udayancare programs, totaling over \$5000.

Not only did Mr. Beast boost our programs, Beast Philanthropy directly donated a whopping \$110,000 to Udayancare. We cannot thank Mr. Beast and his Philanthropy enough for their magnanimity.
